

MUSIC MUSIC MUSIC!

Teachers! Are you looking for a dynamic way to introduce your class to the joy of singing harmony this fall? We have a solution!

[Nickel City Sound](#) (Sudbury's all-women a cappella group) would like to bring the art of barbershop-style singing to your classroom!

We have a program that is specifically designed for students that will not only entertain them, but will help them understand what barbershop singing is all about!

The 1 hour workshop includes:

- △ A quick history of Barbershop music
 - △ The four vocal ranges
 - △ Finding your voice

As well as...

- △ A vocal presentation by a demonstration quartet
 - △ Learning and singing a "tag" in 4-parts
 - △ Question and Answer time

And it's FREE!

Presentations will take place in your classroom at your earliest convenience. We look forward to sharing our love for singing with your students!
